

# Apple Business Chat Registration Guide

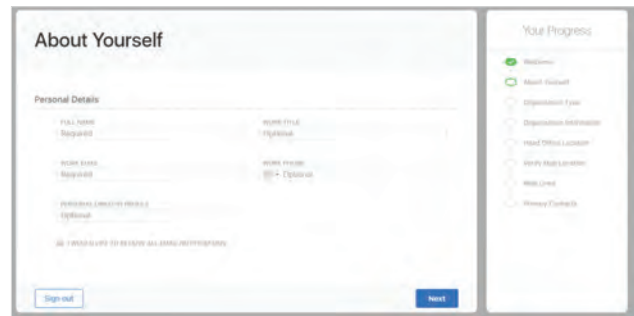

A step-by-step process on how to register your business with Apple Business chat.

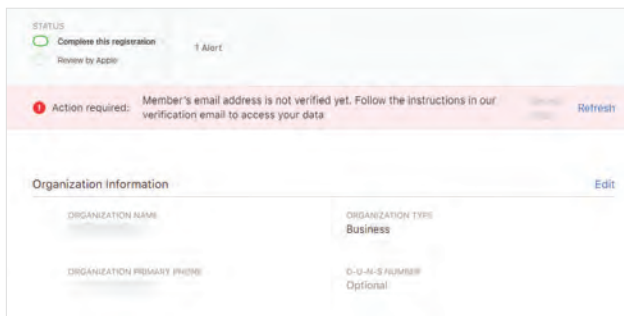

1. Go to <https://register.apple.com/business-chat> and log in with your Apple ID.

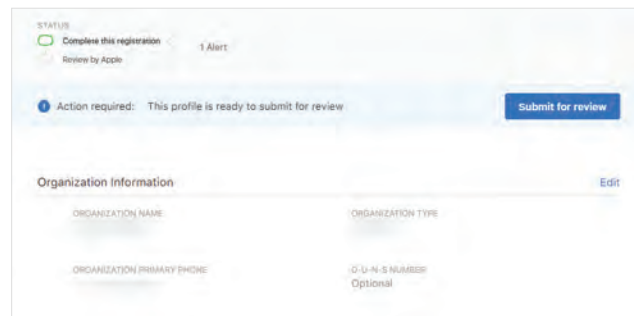

2. Fill out your name, company info, and company web address.

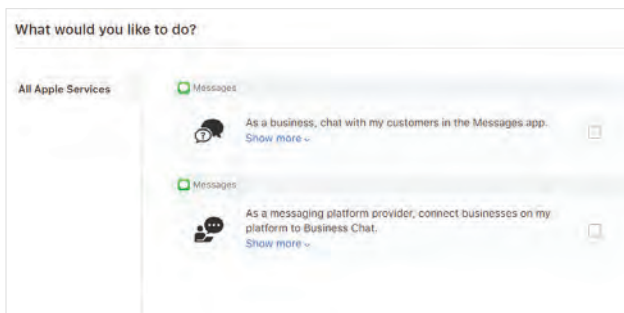

3. Go to your ESP, open the verification email, and follow the prompts to verify your email.

4. After verifying your email, submit your profile for review. Now your profile is complete.

5. Select the option to chat with customers in the Messages app.

6. Select "Team Members" and add [abcdadmin@contactatonce.com](mailto:abcdadmin@contactatonce.com)
