

Facebook Messenger Integration

1. Login as the **Facebook Admin** to the dealership's **Facebook Business Page**

2. In a separate tab/window, login to the [Admin Portal](#) > **Go to the Provisioning Tab > Chat Network Provision > Under Connect 360 Social Sites, Facebook Messenger - Click Add** and follow the prompts to select the Facebook page to add for LivePerson Automotive. If you are not the FB Admin, you can still click Add and a link will be provided for you to share with your Digital Media director.
